Dear Fellow Educator:

On behalf of the New Jersey Educators in Radiologic Imaging (NJERI), we would like to invite you to our **8<sup>th</sup> Annual forum for Advanced Education in the Radiologic Sciences**. Our goal is to provide our students with an opportunity to obtain information from a variety of advanced modality and college degree programs in one setting. This event will take place on **Wednesday, November 1, 2017** at Middlesex County College, Crabiel Hall, 2600 Woodbridge Avenue, Edison, NJ 08818-3050. This is the same location as last year. **Last November's event was attended by more than 160 students from (9) nine of NJ's (15) fifteen Schools of Radiologic Technology.** The program will run from 9:30 AM until 1:00 PM. Each school will have an assigned table where program information can be displayed. Additionally, we will be offering each program a pre-scheduled time slot to formally present your program to groups of interested students. We will advise you of the duration and scheduling of this presentation once we have an idea of the number of programs participating. We would also like to offer you the opportunity to have your program's power point posted on the NJERI website for student viewing.

## To make a reservation for this event:

1. Kindly, remit a \$50.00 reservation fee, payable to NJERI at the above address. An invoice is attached for your convenience.
2. Confirm your reservation by **October 12, 2017** via e-mail to:
