NJSRT Annual Meeting
PO Box 4723
Clifton, New Jersey 07015

Greetings!

It's Annual Meeting time! This year's two day meeting again offers educational opportunities to help you fulfill your educational commitment for registry renewal. Plans have been made to host the meeting at the Resorts Casino-Hotel in Atlantic City, NJ on Wednesday, March 23 and Thursday, March 24, 2022.

We are pleased to bring a diverse selection of quality educational courses to enhance your understanding of modern technology within our profession. Plan now to join us for this rewarding educational endeavor! See you there.

Parsha Hobson, M.P.A., R.T. (R)
President & Conference General Chairman

Denise Vill'Neuve, M.A., R.T. (R)(CT)(M)
Education Program Coordinator

PRE-REGISTRATION POLICIES

1. The deadline for PRE-REGISTRATION for this meeting is **March 13, 2022**.
2. Those wishing to register as MEMBERS must be members of the NJSRT. **There is a \$50 membership fee for those wishing to join after March 13, 2022.** Attendees living and working in states other than New Jersey, who are not members of the NJSRT, may register at the membership rate provided they submit a current membership card from their own state society with their pre-registration application. **Technologists not meeting this requirement will be charged the non-member rates.**
3. **Your NJ License does NOT mean you are a member of the NJSRT**
4. Registrants will not be admitted to any NJSRT function without an authorized identification badge. An additional handling charge of \$25.00 will be charged if a replacement badge is needed.
5. **Cancellation Policy:** Requests for a refund must be made in writing and must be postmarked by March 20, 2022. Emergency situations occurring after March 20th will be evaluated by the NJSRT on an individual basis. In all cases a \$50 processing fee will be charged.
6. On-site registration and registration postmarked after March 13, 2022 will be charged \$50 processing fee.
7. Hotel reservations must be made directly with the hotel. To be included in the Society hotel block, you **MUST** mention that you are with the NJSRT Conference to receive the discounted rate. Failure to register as a conference attendee may cause cancellation of your hotel reservation 24 hours prior to the conference.

The following is a small sample of the program we have prepared:

STOP THE BLEED-SAVE A LIFE

POSTER COMPETITION APPLICATION AND INFORMATION

RULES AND REGULATIONS FOR STUDENT SCIENTIFIC POSTER COMPETITION

I. STUDENT ELIGIBILITY:

- A. Only those students who are members of the NJSRT at the time of application are eligible to compete.
- B. Students submitting the application **must be registered for the Conference.**

II. POSTER ELIGIBILITY:

- A. Posters may not have been exhibited previously at an NJSRT Annual Conference.
- B. Poster displays must be the original work of student exhibitors and **may not have been commercially prepared. Courtesy recognition will not be allowed.**

III. APPLICATION PROCESS:

- A. All applications for space must be postmarked by **March 13, 2022.**
- B. The full title of the poster display must be included on the application.
- C. An e-mail address must be included on the application for verification of acceptance.

IV. SUBJECT MATTER:

- A. Subject matter is selected by exhibitors and should be pertinent to the Radiologic sciences.
- B. Poster displays should be of general interest and value to radiographers and radiography students from an educational viewpoint. They should demonstrate originality and technical excellence. The display may be supplemented with charts, photos, and technical information as long as these fit within the allotted space
- C. Poster displays may not include text or images that could identify a patient, institution or department.
- D. The layout should consist of an introduction, materials and methods used, data collected and results, where applicable along with discussion and conclusions.

V. TITLES:

- A. The title submitted on the application must be the same title utilized at exhibit time. **Exhibits will be disqualified if title is altered after the application is submitted.**

VI. INSTALLATION:

- A. The total space allotted for any one (1) poster, when placed, shall not exceed **6" D x 4' H x 4' W, this includes the title.** The poster must be free standing. Regular poster cardboard consisting of a flat panel back and 2 side boards which bend forward are highly recommended. ALL materials must be mounted on the poster. The poster must not exceed the space allotted, or it will be disqualified.
- B. Placement and dismantling of posters must be completed during the time allotted by the Society. Set-up must be completed by **8am on Wednesday March 23, 2022** and dismantling time is at the completion of the conference on **March 24, 2022.** No posters will be set-up for competition after the conference opens or dismantled before the official closing time.

VII. RESPONSIBILITY:

The exhibitor is responsible for his or her poster display. The NJSRT assumes no responsibility for loss or damage but will take reasonable precautions to assure the security of the poster displays during their exhibition.

VIII. JUDGING:

Three (3) judges shall be selected by the Program Chairperson. Only the Program Chairperson shall know the names of the judges. The judges shall be from out-of-state whenever possible and have no affiliation with any school in the competition.

Exhibits will be disqualified if all criteria are not met.

IX. JUDGING CRITERIA:

Poster displays are judged according to the following criteria:

- A. Professional/Educational value. The poster provides information of professional and educational value to radiographers and students.
- B. Originality of subject matter: The poster illustrates a new idea or presents information in a new, innovative style.
- C. Technical quality and Creativity: The poster presents material in a neat, well-organized and creative manner.
- D. Presentation: Descriptive materials, photos, graphs, and charts are included. All materials must be part of the exhibit space allotted.

X. AWARDS:

All judges scores are totaled and the poster display with the highest point total will receive the 1st place award. The next highest receives the 2nd place award and the third highest score receives the 3rd place award.

Awards will be presented to winners or their designee at lunch on Thursday at the Annual Conference.

COMPLETE AND MAIL TO: NJSRT Poster Competition PO Box 4723, Clifton, NJ 07015

POSTER APPLICATION

Must be post marked by **March 13, 2022**

Name of Exhibitor(s) _____ Daytime Phone _____

Address _____ City/State/Zip _____

e-mail address: _____

EXHIBIT TITLE: _____

Brief Description: _____

NOTE: Name of Program _____

If an exhibit is submitted for competition by a class or group of students, ALL members of the class or group, must be members of the NJSRT and registered for the meeting.

GEORGENE B. BYRUM RADIOLOGIC TECHNOLOGIST OF THE YEAR AWARD will be awarded prior to the conference.

GENERAL TECHNOLOGIST NOTES

All lectures will begin on time. Attendees will be provided with an attendance form that must be stamped at end of each lecture by the moderator. The attendance form will be validated at end of conference at the registration desk by an NJSRT board member. This will be your documentation of CE credits earned. Attendees must be seated by the start time to receive CE credit for their attendance. **ASRT does not issue partial credit.**

Technologists arriving late or leaving early **will not be awarded CE** credits for that lecture. Adequate break time is planned in the schedule.
